# MONEY FOR COLLEGE

## Message from the President

Welcome to East Central Community College Warrior Athletics! We are proud to continue the athletic traditions at East Central where athletics are a vital part of our College. Student athletes have the opportunity to continue participating in athletics beyond the high school level to improve their athletic abilities while pursuing their educational goals. Many memories are made through athletic contests at the College.

We are extremely proud of all of our athletic programs at East Central. Each program contributes its own unique qualities to the overall athletic program of the College. Several of our athletic programs excel each year and over time all of the programs will have an opportunity to extend their season.

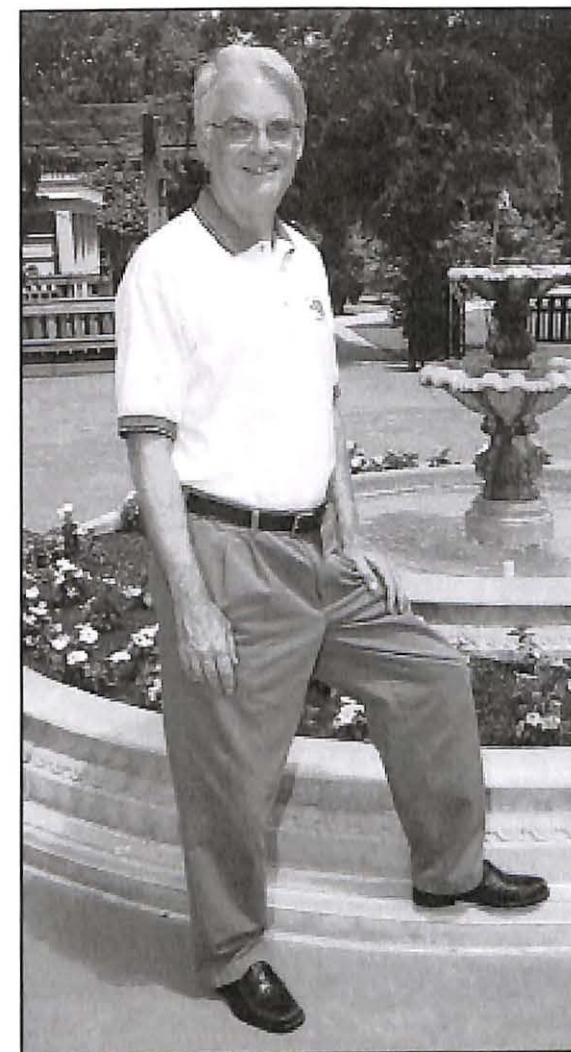

Our student athletes demonstrate their commitment and hard work both on the playing surface and in the classroom. Many of our student athletes are honored for their academic achievements and their athletic accomplishments. This past season many of our students and several of our teams were recognized by the NJCAA for their academic accomplishments.

Special thanks are extended to all of the coaches who work with these young men and women. They instill in their players a work ethic and a commitment to excellence that will serve the students well as they move to the next chapter in their lives. The lessons learned through athletic competition remain with the student athletes long after they have moved beyond organized athletics.

Last but definitely not least, you, the fans of Warrior Athletics, are a significant part of East Central. Your support of the College's athletic programs is important to all of us, especially the student athletes. The reward for all of the athletes' hard work of practice and conditioning is the support of the fans on game day.

Thank you for supporting EC athletics and we look forward to seeing you at future athletic events on campus.

Phil A. Sutphin  
President

## Lady Warriors Ready for 'New Season' to Begin

After a disappointing start to the 2011-12 campaign, Bill Smith said his women's basketball squad is "ready and focused" to compete in the New Year...with victories in mind!

"We had a rough start in 2011 but hopefully we will turn things around in 2012," said Smith of the Lady Warriors, winless in 10 starts. "Our girls have been working really hard to get better...and we are confident that success will come soon."

Losing has not been a part of Smith's resume as women's coach. The 2010-11 squad posted an 8-15 mark and represented the first losing campaign for

the seventh-year head mentor.

After barely missing post-season competition his first year at the helm in 2008-09 (13-11), Smith led the next four squads to state and regional berths. The 2007-08 Lady Warriors captured the Region 23 Tournament title and advanced to the NJCAA Tournament en route to a 22-8 record.

Smith, who sports an overall 93-64 record prior to 2011-12 campaign, said the goal for his young team continues to be same as stated prior to the season getting under way: produce a winning season and return to the MACJC State and Region 23 tournaments.

"A winning season is still within reach... as is a berth in the playoffs," said Smith of the Lady Warriors, who lost their first two MACJC South Division contests by slim margins. EC fell 73-70 to Gulf Coast and 78-77 to Jones County. The Lady Warriors also dropped two non-division battles in overtime - 83-78 to Coahoma in the season opener and 77-72 to East Mississippi, a team they face to begin 2012 competition.

The Lady Warriors are led by Ja'Monica Orton, a 6' guard and product of Walter E. Stebbins High School in Dayton, Ohio. Orton averaged 15.6 points per game in 2010-11 and was one of the few freshmen to garner MACJC All-State and All-Region 23 honors.

Other returnees include Inessa

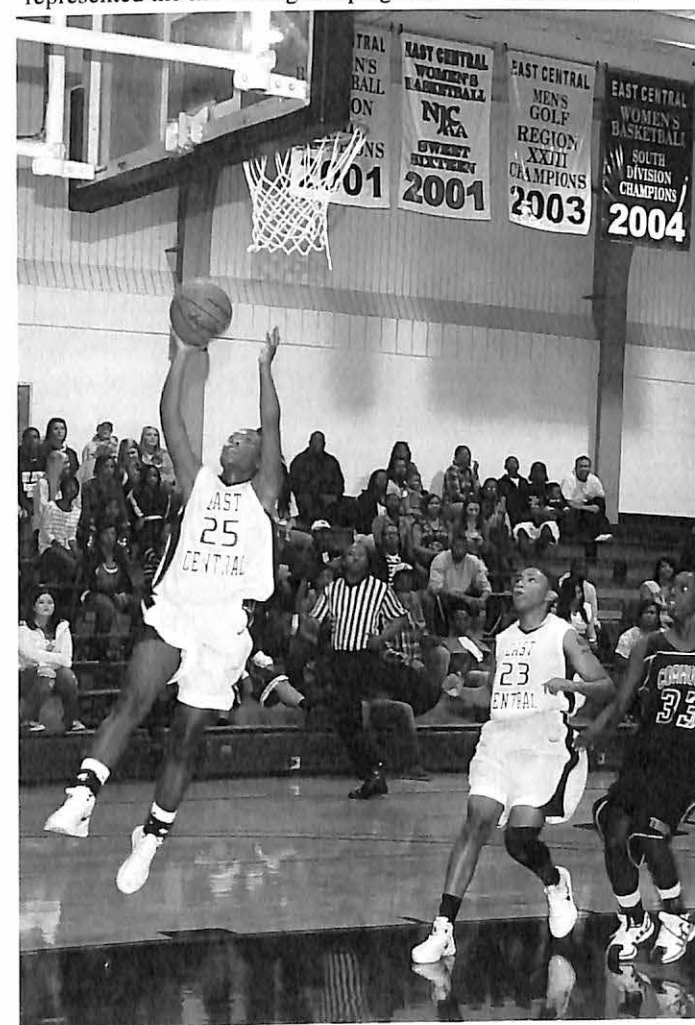

Sophomore guard Ja'Monica Orton (23) lays in two of her 26 points during East Central Community College's non-division matchup with Holmes in the Brackeen-Wood Physical Education Building on the Decatur campus. In addition to leading the Lady Warriors in scoring, Orton was top rebounder with 10 boards. Her efforts fell short of a victory, however, as EC was outscored 73-64 by the visiting Lady Bulldogs.

Adams, a 5-6 guard from Horn Lake High School, and Kurlysa Bell, a 5-10 forward from Kosciusko High School, who averaged 5.8 and 4.3 points, respectively.

The freshman class is led by redshirt Kelcia Bufkin of Forest, a 5-3 guard and product of Scott Central High School and Ashley Hardy, a 5-10 forward from Newton High School.

Other members of the talent-laden freshman group include centers Ellen Black (6') of Forest, a product of Scott Central High School, and Jakela Johnson (6') of Laurel, who hails from West Jones High School; guards Allie Kirby (5-7) of Carthage, a product of Edinburg High School; Jaianah Matthew (5-7) of Arkansas High School in Texarkana, Ark., and Xzandra Dowd (5-8) of Neville High School in Monroe, La.; and forward Reneisha Evans (5-9) of Decatur and Newton County HS.

Freshman guard Kelcia Bufkin (25) lays in two of her 11 points for East Central Community College during the season opener with Coahoma Community College. The visiting Lady Tigers came away with an 83-78 overtime win to claim the non-division matchup. Bufkin is a former standout at Scott Central High School. Also shown is Lady Warrior Ja'Monica Orton (23).

## Bill Smith

*Lady Warrior Head Coach*

Bill Smith is in his seventh season leading the women's basketball program and has an overall record of 93 wins and 64 losses.

After guiding the Lady Warriors to five straight winning campaigns and a region championship, Smith's 2010-11 squad slipped to 8-15 and represented the first losing campaign for the longtime women's basketball coach.

Smith's squads have qualified for post-season competition in five of the past six years, and the 2007-08 Lady Warriors captured the Region 23 Tournament and advanced to the NJCAA Women's Basketball Championship en route to a 2-8 record.

His Lady Warrior teams also advanced to the MACJC State and Region 23 tournaments in 2005-06 (17-10), 2006-07 (16-10) and 2008-09 (17-10.)

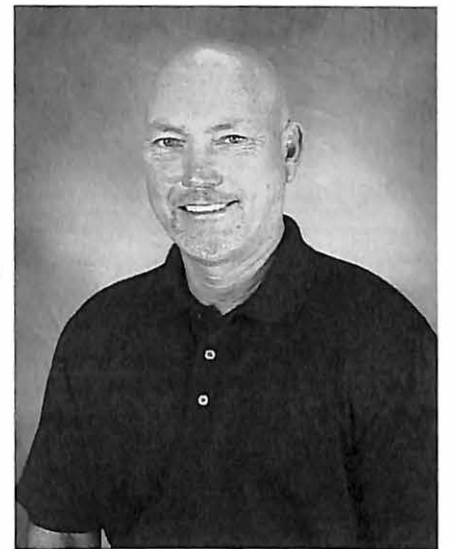

Prior to taking over the women's program, Smith served four years as Warrior head basketball coach, amassing an overall 61-66 record. He led the 2002-03 (15-12) and 2005-06 (17-10) squads to berths in the MACJC State and Region 23 tournaments.

Smith came to EC from Neshoba Central High School, where he successfully led the girls' basketball program for 16 years. His teams posted an overall record of 388 wins and 151 losses, which included a state championship and six division titles.

He is also a former coach at McKinney (Texas) High School and served as a graduate assistant at the University of Southern Mississippi.

A graduate of Neshoba Central High School, Smith attended ECCC and received a bachelor's degree in physical education from Delta State University and holds master's degrees in physical education from USM and in education administration from Jackson State University.

He is married to the former Susan Langston of Edinburg and they have three children, Andy, Chandler and Mackie.

# Warriors Still Hope to Build on 2010-11 Success

After dropping their first 10 contests of the 2011-12 campaign, men's head basketball coach Maurice Bowie remains hopeful that his Warriors can return to their winning ways of 2010-11.

The successful squad finished fourth in the MACJC South Division and advanced to state and regional tournaments only to be turned back by eventual Region 23 Tournament champion East Mississippi Community College in first-round action of both events. The Warriors ended season action with a 13-12 record.

With the success of last year still fresh in his mind, Bowie said he hopes the current squad can "shake off" the disappointing start to the 2011-12 campaign and focus on winning.

"We are coming off our first winning season and you like to keep that taste in your mouth," said Bowie, now is his sixth year at the Warriors helm.

Although the Warriors are winless in 10 starts, they played much better to end 2011 competition, falling by slim margins to Jones County (96-93) on Dec. 5 and Itawamba (68-66) on Dec. 8.

Despite their win-loss record, Bowie, is still proud of his team's effort.

"I am very pleased with my kids.... they have what a lot of players don't have...and that's heart and character," said Bowie. "We've got some great citizens and role models on this year's team. They go out of their way to be a part of this community and team, and that means a lot to me. I want fans to judge us by our hearts...not our stature."

This year's squad does not include what Bowie labels as "name" players.

"We don't have players who everybody knows and are considered top

Freshman guard Cordarion Nichols (31) of East Central Community College attempts a jump shot while pressured by Holmes defender Omar Travis (5) during the non-division battle held in the Brackeen-Wood Physical Education Building on the Decatur campus. Nichols, a product of Newton High School, scored 11 points for the Warriors' who were outscored 84-63 by the visiting Bulldogs.

players in the state," he stated. "But what we do have is a collaborative good team that plays together and works hard for one another. I don't have to stand over them to get them to do a task."

Jimmie Broomfield, a 6-1, 200-pound guard, is the only returning starter. Broomfield, a product of Scott Central High School, was also a standout on the Warrior football team.

Also seeing playing time during 2010-11 were guards Thomas Straughter (5-10, 200) of Jackson Callaway and Glenn Thomas (5-11, 189) of Brookhaven, a product of Loyd Star High School. Other sophomores are guards Jackson Therrien (6', 180) of Newton, a product of Newton County Academy and Jontrae Conley, who hails from Meridian High School, both of whom saw limited action in 2010-11.

For EC to have another successful season, Bowie said a lot will depend on how well the freshmen respond to community college basketball, especially now that league competition is under way.

"We have nine freshmen on paper but really 11, since two sophomores

have not played much either," said Bowie. "So we are going to hang our hats on defense and really get after people."

Newcomers include guards Tejiminon Leatherwood (5-6, 145) of Northridge (Ala.) High School, Lavadius Lyles (5-7, 180) of Forest High School, Newton County Academy product Andrew Hanna (5-7, 154) of Union and South Leake High School product Randy Collier (5-9, 160) of Ludlow; and forwards Akeem Toppi (6-5, 190) of Columbus High School; Bobby Wrench (6-3, 200) of Columbus High School and Thomastown High School product Marcus Henry of Carthage. Lyles was also a standout on the Warrior football team.

"My goal is to keep evaluating the freshmen and help them improve each game," said Bowie, a former first team All-State selection at

ECCC. "We are taking this week by week and making sure we learn not only from one another but from other teams as well."

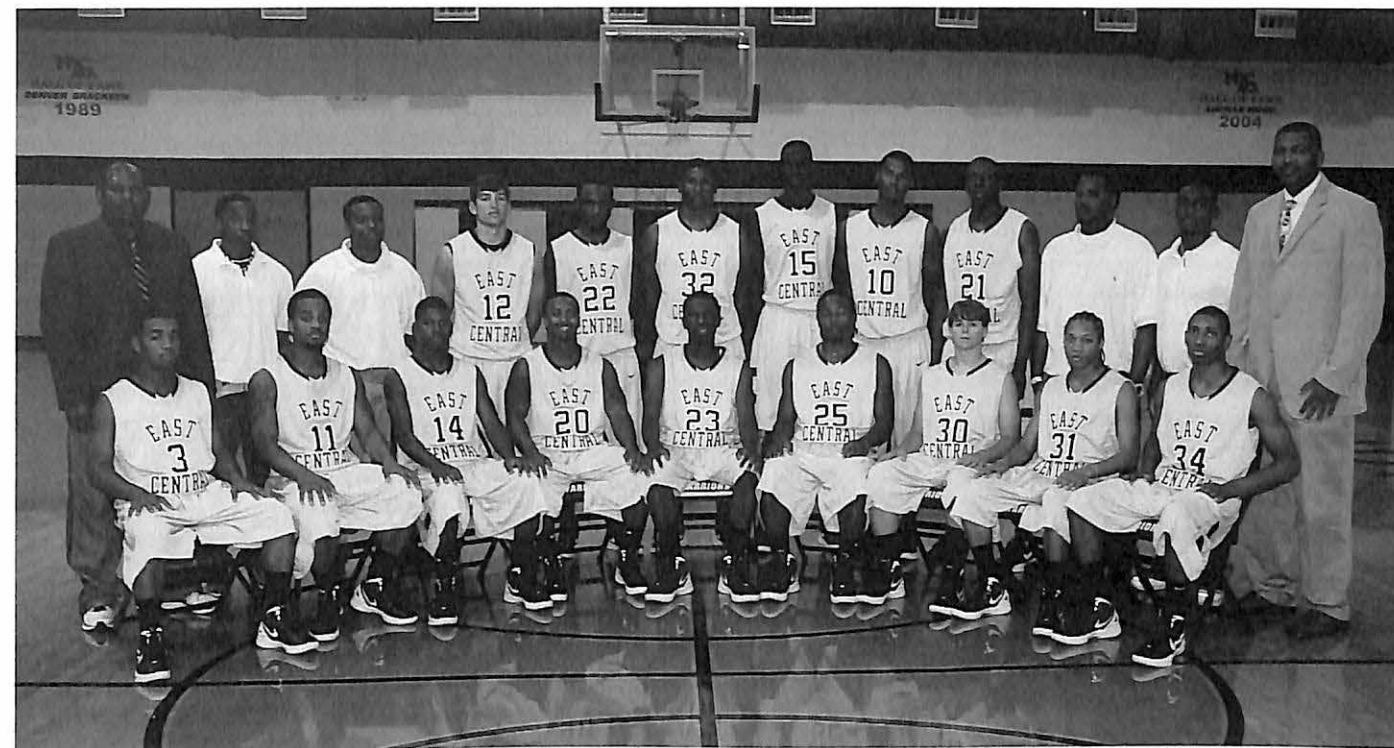

Bowie said the game plan for success basically involves one word: speed.

"We have to play really fast because we are small but strong," he said. "Our guard play is our strength but our undersized forwards are athletic and fun to watch as well."

Although he stopped short of making a prediction, Bowie said he is confident the Warriors "will get it together" in 2012 and become successful.

"These kids will be in every game this year - no matter who we play - because of their attitude and refuse-to-lose mentality. The guys who were here last year know what's at stake this year and they have pushed the freshmen every day to get better and learn quicker. We don't want to win once every five years...we are building a winning tradition here at ECCC!"

## **Maurice Bowie** *Warrior Head Coach*

Maurice Bowie, now in his sixth year leading the men's basketball program, experienced his best season in 2010-11 as the Warriors advanced to the MACJC State and Region 23 tournaments en route to a 13-12 record. EC qualified for post-season play after finishing fourth in the MACJC South Division with a 7-5 mark.

His overall mark at EC is 44-77.

Bowie previously served four years as assistant coach for men's and women's basketball programs at Itawamba Community College in Fulton, where his duties included recruiting and on-the-floor coaching. He also taught physical education classes.

Prior to joining the ICC staff, Bowie was a graduate assistant and physical education instructor at Alcorn State University in Lorman during the 2001-02 season.

A 1995 graduate of Morton High School, Bowie is a former basketball standout at ECCC, earning All Region 23, first team MACJC All-State and MACJC All-Star honors for the 1996-97 season, during which he also served as student body association president. He was named the Warriors' most valuable player following the 1995-96 campaign.

After earning an associate's degree at ECCC in 1997, Bowie continued his athletic career at the University of Arkansas-Little Rock, where he received a bachelor's degree in health education in 2000. He earned a master's degree in education from Alcorn State University in 2005.

Bowie has a daughter, Taniya Caples.

Bowie is the son of Marie Honeysucker of Ludlow and Ivory Lyles of Little Rock, Ark.

**Matt Riley**

## **Matt Riley** *Warrior Assistant Coach*

Matt Riley, a former Warrior basketball standout, begins his first season as assistant coach.

Riley, who was a member of the Warriors' 1993 State Championship team coached by Marty Cooper, also serves the College as CBJT Grant Coordinator.

A Walnut Grove native, Riley had a stellar basketball career at South Leake High School, where he was an All-State selection. During his senior season, Riley averaged nearly 20 points per game and led his team to the state finals in 1991. Riley was a reserve guard on South Leake's state championship squad in 1990.

Riley, a highly recruited student-athlete, continued his athletic career at ECCC, playing two seasons for Coach Cooper and was a starting guard on the 1993 state champion team.

After receiving an associate's degree from ECCC in 1993, Riley's athletic career continued at Mississippi Valley State University in Itta Bena, where he quickly developed a reputation as an outstanding defensive player and long-range three-point shooter. Riley was also known for his work ethic, leadership qualities and academic success.

Riley received a bachelor's degree in sociology from Mississippi Valley and has completed graduate hours at Delta State University.

Riley comes from a family rich in basketball tradition. His father, Barnett (Chief) Riley, helped develop basketball players in the Walnut Grove area and throughout Leake County. Matt's brother, Luther, begins his first year as men's head basketball coach at Alcorn State University in Lorman, following a successful career on the high school level. Luther, also a former Warrior standout, won several state titles during his 12-year tenure at Provine High School. Matt's sister, Maria Riley, was a member of the 1993-94 and 1994-95 Lady Warrior basketball squads coached by Sammy Pace.

Matt is an active member of New Friendship M.B. Church. He is also active in the Leake County community, serving as motivational speaker and mentor to young men.

He is married to the former Marie Cherry of Columbia. They have two children, Kymberli, 16, and Matthew, 11.

# The Lucille Wood Years

The following information on Women's Basketball was compiled by Lucille Wood, who served as Lady Warrior coach from 1958 to 1985.  
 (Wood said, "The records for the club teams are incomplete. We played half court, and then two rovers, so many did not have the opportunity to score points or to rebound on both ends of the court. I would, however, like to recognize two players who should be on the lists for rebounding and scoring, Cynda Gibbon from Hickory and Deborah Norwood from Louisville. I thank all of you for the memories and to all a completed job well done.")

Approximately 370 NJCAA teams qualified for academic team accolades and more 1,470 student-athletes met the requirements for individual honors, according to Mark Krug, NJCAA Director of Media Relations and Assistant Executive Director.

The Lady Warrior softball and tennis squads were named NJCAA Academic Teams of the Year for 2010-11 for achieving the highest grade point averages in their respective categories.

Earning NJCAA All-Academic Team honors were the College's baseball, golf, women's soccer and men's tennis squads.

"We are very proud of our student-athletes and coaches for this outstanding achievement," said ECCC President Dr. Phil A. Sutphin. "EC stands for academic quality and to have that demonstrated in our athletic program is confirmation of that success."

EC's softball team posted a 3.69 grade point average to claim top honors for a second straight year. The 2011 squad, which was also named MACJC Women's Academic Team of the Year, captured the program's first MACJC State Tournament title and tied for fifth in the NJCAA Division II National Softball Championship en route to a 37-15 record.
